The Business Opportunity that is turning dreams into reality

# The NEWAYS Rewards Program

## The best Rewards Program in the business

Neways is the Business Opportunity that is turning dreams into reality for thousands of people just like you.

A huge amount of research went into designing Neways' innovative 'HYBRID' Rewards Program. We saw the utmost importance of creating a program where all Members – not just those at the top – are paid bonuses in a fair and rewarding manner.

Experience has proven we've succeeded on every level as Members are paid for marketing Neways products!

## Solid foundation

Neways has passed the test of time, setting the industry's benchmark of success for over 20 years. Having built this solid foundation, and proven ourselves through exceptional growth, our size and strength promises an even brighter future.

Neways is very much focused on helping Members to succeed and achieve their goals, because with Neways your only limitation is the amount of energy and effort you're prepared to invest in making your dreams come true.

## Neways Car/House Bonus Program

Just like our products, the great thing about Neways incentives is that they really work.

Hundreds of Neways Members around Australia are already enjoying the benefits of having a luxury vehicle or executive home knowing it's a gift from Neways to celebrate all their hard work and dedication.

Most importantly, you could too!

## Why the Neways Rewards Program assures maximum payout for all Members

Neways has two profit centres.

**The Multiplex Profit Centre** is designed to reward new and developing Members with 'instant income' for their initial sponsoring efforts.

**The Affinity Profit Centre** is the 'Wealth Building' part of the program for Members focused on building a large and fully developed business.

Neways has simplified the qualification by allowing one Personal Volume requirement to satisfy both Profit Centres. In addition, you'll always receive the highest possible payout because all Downline structures are 'compressed' into their most compact form for maximum payout.

# Two profit centres create an incredible income opportunity

## Multiplex 'instant income' profit centre

Multiplex Bonuses are paid on the first 75 Personal Volume (PV) ordered by your Downline Members each month. The number of 'active' Multiplex Legs you have determines your Multiplex Rank, along with the depth and percentages you are paid on your Downline.

### There are no 'breakaways' under Multiplex

You continue to earn Multiplex Bonuses on your Downline – regardless of their rank! This is a major feature of the Multiplex Profit Centre which provides a secure and stable income for Members.

### Multiplex Bonuses

A minimum of 150PV each month is required in order to qualify for a Multiplex Bonus. For a Leg to be considered 'Active' it must contain at least one Distributor with a minimum of 150PV.

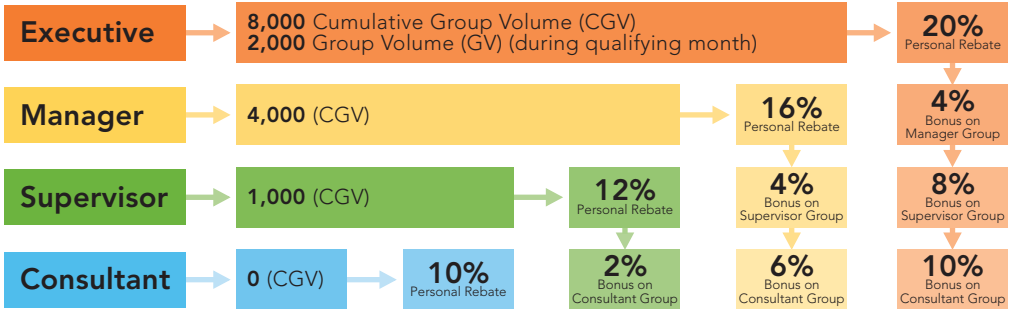

*Unlimited bonuses are NOT limited by depth but are restricted by, or shared with, your Downline Members who qualify at Multiplex Rank 3 or 4.*

## Group Development Bonuses

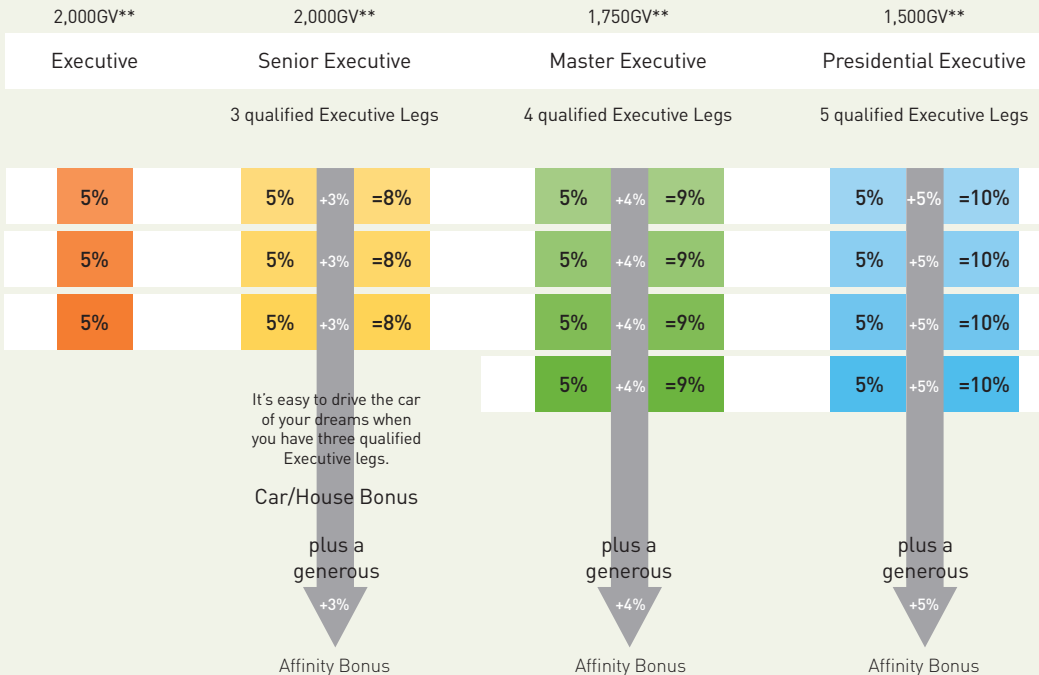

Group Development Bonuses are paid on any Personal Volume (PV) exceeding 75 ordered by yourself and your personally sponsored non-executive Downline and their groups each month. Group Volume accumulates and includes all Multiplex Volume for rank advancement.

The Neways Marketing Plan is designed to create big income potential. 150PV qualifies you for both profit centres. The more you do, the more you will earn!

**Group Bonuses** A minimum of 150PV each month is required in order to qualify for the Group Development Bonus.

## Executive Leadership Bonuses

Affinity Bonuses are paid to qualifying Senior Executives and above, on their Executive Downline's Affinity Group Volume (excluding Multiplex Volume). Affinity Bonus exclusive of GST. \*Conditions apply.

## Executive Leadership Bonuses

Leadership Bonuses are paid to qualifying Executives on the Executive Downline's Affinity Group Volume (excluding Multiplex Volume).

To qualify for Executive Leadership Bonuses and minimum of 2,000GV is required (including Multiplex GV). Executives who meet the monthly 150PV requirement, but not the 2,000GV requirement, are considered non-qualifying Executives and are still entitled to Multiplex and Group Development Bonuses.

### Qualified Executive Leg

- For a personally sponsored Downline Leg to be considered a qualified Executive Leg, an Executive anywhere in that Downline must achieve 2,000GV (with the exception of Grace Month and reduced Group Volume options for Master Executives and above; see notes below).
- A maximum of only one qualified Leg can come from each personally sponsored Executive Downline.
- Alternatively, if there are no Executives with 2,000GV in a Leg, then provided the entire Leg has a total Organisational Volume of at least 3,000, and one Executive in the Leg has a minimum of 1,000GV, the Leg will be considered a qualifying Executive Leg.

**Grace Month:** If your personally sponsored Member is promoted to Executive Rank, in the following Volume Month only, your Group Volume will be reduced from 2,000GV to 1,000GV to qualify for Executive Leadership Bonuses.

**Compression:** Bonus payment levels are compressed so that Neways' Rewards Program always pays out the maximum bonus possible to Members.

\*A qualifying Diamond Ambassador receives a maximum of 7% Affinity Bonus which increases to 8% once Organisational Volume reaches \$275,000 for 3 consecutive months and is maintained.

\*\*If qualifying at the rank of Master Executive and above, the Group Volume requirement is reduced according to the rank achieved. If taking advantage of the reduced Group Volume option, the correct qualifying Executive Legs must be achieved within that particular Volume Month (ie 1,500GV requires 5 qualified Executive Legs in that Volume Month).
